SUBJECT  
AREA: Air ForcesDISTRIBUTION:  
All PIsIEG PI NOTICE  
No. 31-74

TITLE/SIGNIFICANCE:

Probable AS-X-9 ASM and its possible shipping container

COMMENT [redacted] of its delta-shaped w<sup>25X1</sup><sub>---o</sub>, is similar in appearance to the AS-4 KITCHEN. This new missile is primarily for use with FENCER aircraft. However, it may also be associated with the FOXBAT. The missile and/or shipping container may be found at airfields with operationally deployed FENCER and FOXBAT aircraft; at airfields with existing ASM storage facilities and in regional ASM storage facilities.

25X1

LOCATION(S)

Ramenskoye Flight Test Center  
Ivankovskiy Guided Missile Plant
